#### "Must Knows" for SUCCESS in 5th Grade

Please read together the following information about 5th grade expectations and important details for making this year a success.

As a fifth grader at Webber you are expected to do the following:

1. Put your name and date on your paper.
2. Turn in your work ON TIME.
3. Follow the classroom & school rules.
4. Check your assignments in PowerSchool at least once a week to make sure they are logged. Late papers may be marked missing.
5. Take responsibility for your actions. It is not your parent's job to do your work, bring your work to school if you forgot it, or to bail you out. With this, accepting consequences with grace is expected.
6. Understand directions to assignments and to ask questions about them. Also, be able to explain all assignments to your parents if they have questions about them - so BE A GOOD LISTENER AND TAKE NOTES!
7. Complete your planner with outstanding homework and upcoming events and responsibilities.

I know your child will be successful if they understand what is expected from them and have all of our support
